

Wild Honey

U2

In the days when we were swinging from the trees
I was a monkey stealing honey from a swarm of bees
I could taste, I could taste you even then
And I would chase you down the wind

You could go there if you please
Wild honey
And if you go there, go with me
Wild honey

Did I know you? Did I know you even then?
Before the clocks kept time Before the world was made
From the cruel sun You were shelter
You were my shelter and my shade

If you go there with me
Wild honey
You can do just what you please
Wild honey
Yeah, just blowing in the breeze
Wild honey
Wild, wild, wild

I'm still standing, I'm still standing Where you left me
Are you still growing wild With everything tame around you?
I send you flowers, cut flowers for your hall
I know your garden is full, but is there sweetness at all

If you go there with me
Wild honey
Won't you take me, take me please
Wild honey
Yeah, swinging through the trees
Wild honey
Wild, wild, wild
