

Window In The Skies

U2

The shackles are undone
The bullet's quit the gun
The heat that's in the sun
Will keep us when there's none
The rule has been disproved
The stone it has been moved
The grain is now a groove
All debts are removed

Oh can't you see what our love has done?
Oh can't you see what our love has done?
Oh can't you see what our love has done?
What it's doing to me?

Love makes strange enemies
Makes love where love may please
Soul in its strip tease
Hate brought to its knees

The sky over our head
We can reach it from our bed
If you let me in your heart
And out of my head

Oh can't you see what our love has done?
Oh can't you see what our love has done?
Oh can't you see what our love has done?
What it's doing to me?

Ooh ooh oh oh-oh-oh-oh-oh
Ooh ooh oh oh-oh-oh-oh-oh
Please don't ever let me out of here...
I've got no shame, oh no, oh no

Oh can't you see what love has done?
Oh can't you see?
Oh can't you see what love has done?
What it's doing to me?

I know I hurt you and I made you cry
Did everything but murder you and I
But love left a window in the skies
And to love I rhapsodize

Oh can't you see what love has done?
To every broken heart
For every heart cries
Love left a window in the skies
And to love I rhapsodize

Ooh ooh
Ooh ooh ooh
Ooh ooh
Oh can't you see.
Ooh ooh ooh
Ooh ooh
Ooh ooh ooh...

Ooh ooh ooh
