

## Inside Your Dreams

U96

It's all inside,  
Inside your dreams  
You'll be the king,  
You'll be the queen  
Your mind is free - an open screen  
It's all inside - inside your dreams.

Look inside,  
Inside your dreams  
A world of love,  
A world of peace  
Memories and destiny  
It's all inside - inside your dreams
