

Love Generation

U96

Cure all the pain
Erase your frustration
Come on be a part of
The love generation

Get more excited
From station to station
Celebrate life
With the love generation

Love generation
Give all you got to the love generation
Love generation
People unite for the love generation
Love generation
Love generation

Things will get better
On every occasion
Decide with your heart
For the love generation

Your love and mine is
A good combination
Let's give it away
To the love generation

Love generation
Give all you got to the love generation
Love generation
Come on be a part of the love generation
Love generation
Love generation

Things will get better
On every occasion
Decide with your heart
For the love generation

Your love and mine is
A good combination
Let's give it away
To the love generation

Love generation
Give all you got to the love generation
Love generation
People unite for the love generation

Things will get better
On every occasion
Decide with your heart
For the love generation

Your love and mine is
A good combination
Let's give it away

To the love generation

Love generation

Give all you got to the love generation

Love generation

People unite for the love generation
