Dance to the rhythm of life
This is your life
Dance to the rhythm of life
Whoo-ou-ooo-ooo

This is rhythm of life
This is your life
The future looks bright
This is rhythm of life
This is your life
A love at first sight.

Rise from the rhythm of life
This is your time
Your day and your night.

Rise from the rhythm of life
You gotta find out
What's wrong and what's right.

Dance to the rhythm of life
This is your life
Hellos and goodbyes.

Dance to the rhythm of life
Make it your life
There's no need to hide.

Dance to the rhythm of life
This is your life
Dance to the rhythm of life
Whoo-ou-ooo-ooo
Dance to the rhythm of life
The rhythm of life
Dance to the rhythm of life
Whoo-ou-ooo-ooo

Dance to the rhythm of life
This is your life
The future looks bright

Dance to the rhythm of life
This is your life
A love at first sight

Rise from the rhythm of life
This is your time
Your day and your night.
