Seven wonders
Seven wonders

Seven days make seven wonders,
Love me 'til the end of time.
Take me to the edge of heaven,
Tonight and 'til the end of time.

Seven seas see seven wonders,
Who's the one that's left behind?
Seven ways to seven wonders,
Watch upon a big surprise.

One's for dreamers,
Two's for lovers,
Three for believers.

Four satisfaction,
Five is protection,
Six and more
