Under-water
Kiss me in slow motion
Give me your devotion
Deep down underwater
When I melt with you

Touch me with desire
Come on and take me higher
Feels like underwater
When I melt with you

Under-water
Kiss me in slow motion
Give me your devotion
Deep down underwater
When I melt with you

Touch me with desire
Come on, take me higher
Feels like underwater
When I melt with you

Under-water
Touch me with desire
Come on and take me higher
Feels like underwater
When I melt with you ...

Touch me now with your desire
Come on, baby, take me higher
(Wanna) feels like underwater
When I melt with you ...

Kiss me in slow motion
Give me your devotion
Deep down underwater
When I melt with you ...
