

# Kingston Town

UB40

The night seems to fade but the moonlight lingers on  
There are wonders for everyone whoa oh

The stars shine so bright but they're fading after dawn  
There is magic in Kingston Town

Oh Kingston Town the place I long to be  
If I had the world I would give it away just to see the girls at  
play

When I am king surely I will need a queen  
And a palace and everything yeah

And now I am king and my queen will come at dawn  
She'll be waiting in Kingston Town

Oh Kingston Town the place I long to be  
If I had the world I would give it away just to see the girls at

When I am king surely I will need a queen  
And a palace and everything yeah

And now I am king and my queen will come at dawn  
She'll be waiting in Kingston Town

She'll be waiting in Kingston Town  
She'll be waiting in Kingston Town

She'll be waiting in Kingston Town  
She'll be waiting in Kingston Town
