Singer man sing me a song

Do you want soul?
Do you want soul?

I hear you singing, sing a morning
I hear you singing, sing a morning
I hear you singing, sing a morning

Do you really want soul?
Do you really want soul?
Do you really want soul?

Singer man sing me a song
Singer man sing me a song
Singer man sing me a song

Do you really want soul?
Do you really want soul?
Do you really want soul?

I hear you singing, sing a morning
