

# Things You Say You Love

UB40

Lose, you're gonna lose  
Things you say you love  
You're gonna lose

Can't last too long  
The way you are shaping  
Can't last too long  
The way you're vibrating

Lose, your gonna lose  
Things you say you love  
You're gonna lose

Can't last too long  
The way you are flirting  
Can't last too long  
The things you are doing - that's why I say

Lose, you're gonna lose  
Things you say you love  
You're gonna lose

Can't last too long  
The way you are flirting

Can't last too long  
The things you are doing

Lose, you're gonna lose  
Things you say you love  
You're gonna lose

Can't last too long  
The way you are shaping  
Can't last too long  
The way you're vibrating

That's why I say

Lose, you're gonna lose  
Things you say you love  
You're gonna lose

Things you say you love  
You're gonna lose

Things you say you love  
You're gonna lose

Things you say you love  
You're gonna lose
