I look outside and see that everything is perfect Except for me I'll always be the one who sits and stares And now and then your just my friend someone I could talk to And it's killing me, it's just killing me

And I, I feel so empty inside 'Cause I'm a freak in your eyes I feel so empty inside And it's killing me

I look outside and realize how much I'm different You'll never see inside of me, inside just who I am And now and then you're just my friend, Someone I could talk to And it's killing me, it's just killing me

And I, I feel so empty inside 'Cause I'm a freak in your eyes I feel so empty inside And it's killing me

I'm outside and looking in...

I look into your eyes and see that you are perfect Except for me, except for me

And I, I feel so empty inside
'Cause I'm a freak in your eyes
I feel so empty inside
I feel so
I feel so
I, I feel so empty inside
I feel so empty inside
