

Dismissed

Uffie

Yeah uffie's got it!
Hands up, fast up, people come on, you like my shit,
You ain't ready, I can't hear you all, uffies got that shit.
East side, west side, where you at? come on! uffie's in this bitch!
Get money, don't stop, ladies stop bitchin' I can rock this shit...

Now it seems to me you fagots got a whole lot of questions,
On this damn holler board you bitches getting some action,
It's obviously a problem, but I won't restrict myself,
Is it hip hop or it is it electro or damn is she coming from hell?...
Oh please excuse me bitch but I fuck all you wannabees,
It's just straight into that gossip, you don't have any fiz,
A lot of people read your crap this is web pollution,
This is why I ain't complaining bitch over free promotions.
You just called me a cunt in some other word __,
But after this you'll be the one sucking a whole lot of dick.
You brought my popularity ratings higher than ever,
Thank you, your whole bullshit comments have worked real clever!
Before I answer you bitch, let me spit one question,
If you hate me so much, what's up with your obsession?
I just do my things tight and I don't care about hights,
So run back to your computer, your mum', and your crack pipe.

Hands up, fast up, people come,
Hi you like my shit,
You ain't ready, I can't hear you all,
Uffies got that shit.
East side, west side, where you at? come on!
Uffie's in this bitch!
Get money, don't stop, ladies stop bitchin'
I can rock this shit,
I can rock this shit,
Uffie's got that shit,
Uffie's in this bitch.

Ok now let's get back to that last pathetic whore,
You think you got me in my crusader gear, well done!
You rap analysis fool, should be a bit more clever,
Get back to your dusty mix tape, your CDs and your stickers.
I can't believe all these crowds, it worked out so well.
Maybe I shove my glock in bed so you can shove it in your mouth,
Yes I am a little white girl, I guess she can have a point,
I've been through shit in my life, and I'm coming out strong.
Whose that girl she's so hot, she's never touched any glock!
Bitch if you only knew yes I have fucking popped.
And tell me why you feel the need to have so much shit on me,
I think it's cause the next thing is this girl called uffie, got that?

Hands up, fast up, people come,
Hi you like my shit,
You ain't ready, I can't hear you all,
Uffie's got that shit.
East side, west side, where you at? Come on!
Uffie's in this bitch!
Get money, don't stop, ladies stop bitchin'
I can rock this shit
I can rock this shit,

Uffie's got that shit,
Uffie's in this bitch.

We got our shit all tight we don't care about you jealous ass whores...
