

# Ready To Uff

Uffie

Me and feadz on a mission  
And we're starving to fly  
It's little uffie ofcourse  
Bout to get buck wild  
On this beat that you hear  
It's the girl that you fear  
And if you don't enjoy this shit  
You can get outta here  
But yo one day you will see me  
Breaking out in miami  
Doing x-rated shows  
From houston into st. louis  
Yo I'm a damn crazy brat  
And I don't give a fuck  
I got my man my sound my glass  
And I'm ready to fuck

I'm I-I-I-I-I'm ready to fuck  
I'm ready ready  
I'm ready to fuck-fuck-fuck  
I'm I-I-I-I-I'm ready to fuck  
Ready ready ready ready to to to fuck-fuck-fuck  
Uffie Uffie Uffie Uffie Uffie ofcourse  
I'm I-I-I-I-I'm Uffie ofcourse  
I'm Uffie ofcourse Uffie ofcourse  
I'm Uffie Uffie Uffie ofcourse

No I don't belong here  
And I'm free as a cop  
Cause my parents ain't near  
I'm unable to stop  
You're not owned by one nation  
I'm the child of the world  
See I got frustrations  
They are bout to be heard  
See a trick that looks shiny  
And all the guys getting horny  
But all this shit is so corney  
Bitch ain't got nothing on me  
Yes I used to be like that  
But I upgraded my scale  
All these girls are so whack  
Now it's first class I hail

First class, first class, first class, first class  
First class I hail  
First class, first class, first class, first class  
First class I hail  
Miami, I hail I hail I hail  
Miami, I-I-I-I-I hail  
First class I hail-hail-hail-hail-hail

The people are looking  
And the heads are turning  
But what you see in the morning  
Is that your coochie is burning  
Yeah you pathetic whore

Who always wanted more  
And when he walks through the door  
Your knees drop to the floor  
Now hoes got dreams as well  
Trying to make a pimp proud  
It's a fantasy to sell  
When your heads with the clouds  
These ladies are pro actors  
Got men thinking they above  
But inside adding up factors  
That's why they get no love

Trying trying trying trying to make a pimp proud  
Now hoes got dreams as well  
Trying to make a pimp proud  
Trying trying trying trying trying to make a pimp proud  
Hoes make-make-make a pimp proud
