All Or Nothing

UFO

I thought you'd listen to my reasoning
But now I see, you don't hear a thing
Tried to make you see how it's gotta be
Well it's allright
*chorus: all or nothing, all or nothing, all or nothing, for me
Things could work out just like I want them to, yeah
If I could have the other half of you
Yes you know I would if I only could
I said it's allright
Chorus (instrumental)
