

I spend twenty walking 80 years of talking  
One year to lose you five of regret  
Fear you are over  
I took these boxes down on the grass  
Sell myself away for once last glance  
This don't come easy  
Nothing comes for free  
Angels station get in the way  
Angel station I will catch him  
Angel station is my final destination  
Angel station I am coming home  
This don't come easy  
Nothing comes for free  
I took these boxes down on the grass  
Sell myself away for once last glance  
Once I drank to you .. fifty the talk  
.. what you got  
This don't come easy  
Nothing comes for free  
Angels station get in the way  
Angel station I will catch him  
Angel station is my final destination  
Angel station I am coming home  
This don't come easy  
Nothing comes for free  
I am on a beach found a bottle  
With a message in it mother you were beautiful  
That was your only ..  
Coming from a paper with your name on top  
My world is burning I can't make it stop  
Take me back home  
To be home again  
Hold me in your arms baby .. back again  
This don't come easy  
Nothing comes for free  
Angels station get in the way  
Angel station I will catch him  
Angel station is my final destination  
Angel station I am coming home  
This don't come easy  
Nothing comes for free  
I took my .. say goodbye to everything  
I spend 20 years of walking 80 years of talking  
One year to lose you five of regret  
I am giving all away
