

Fighting Man

UFO

Hearts of darkness
Falling down,
It's raining stones
Fate is driving
Now theres no meat
On the bone
There's a hurricane coming,
What a bitter pill
There's a distant drumming,
Coming over the hill
She took everything,
Got my jack in her hand
I was born so now
I'm just a fighting man,
A fighting man
Cold Wild Turkey
Drives a spike right through my brain
Bar room mothers
Waiting for the gravy train
It's a cold wind a blowing,
Gone out of control
Time is a running,
Touching my very soul
She took everything,
Got my jack in her hand
I was born so now
I'm just a fighting man,
A fighting man
[Solo]
Ashes to ashes
Trash is still trash
It's only a moment now
And we're gone in a flash
Silver lining
Where's the man
With the master plan
Hearts of darkness
Spreading out
All across this land
There's a hurricane a'coming,
What a bitter pill
There's a distant drumming,
Coming over the hill
She took everything,
Got my jack in her hand
I was born so now
I'm just a fighting man,
A fighting man
She took everything,
Got my jack in her hand
I was born so now
I'm just a fighting man,
A fighting man
Just a common man
Just a common man
