

# Hard Being Me

UFO

Can you hear me  
We ain't about to quit boy  
The bands back in town, alright  
And you can all juice off

Show me a mountain, show me the top  
Show me a woman that just can't stop  
Hey baby set me free

Well I'm stuck down here in the cellar  
I got shotgun in my hand  
Somewhere my baby's going blind

And it's hard being me, Hard being me  
I'm dizzy like a monkey on a tree  
Hard being me It's hard being me  
I'm a crazy man

I got wounds and cuts, Shining like dimes in my eyes  
Somewhere my baby's going blind  
Sometimes I wonder, Sometimes I confuse  
Oh baby we can loose, Oh my baby's going blind

And it's hard being me, Hard being me  
I'm dizzy like a monkey on a tree  
Hard being me, hard being me  
I'm shaking like a leaf  
Shaking like a leaf on your monkey tree
