

## Love to Love

UFO

Oh it's been too many times, and I can't go back  
Night bars, guitars, rundown motels like shacks  
What it mounts up to, I don't want it at all  
Lost you, and I want you today  
Misty green and blue  
Love to, love to, love you  
Misty green and blue  
Love to, love to, love you  
To be somethin', to be near you  
Don't say that you'll never know  
Love to, love to, love you  
Half the time it could seem funny  
The other half is just too sad  
This west bound moon's only rise and fall  
Lost you and I want you today  
Misty green and blue  
Love to, love to, love you  
Misty green and blue  
Love to, love to, love you  
To be somethin', to be near you  
I don't know where I'm goin' to  
I've tried and I need you to stay  
Yeah yea
