

Little bit of you  
Runnin' through my vein  
Little bit of everything  
You know that's what you said  
Try hard, try hard to reason  
Reason's love  
Try hard, try hard to reason  
Reason's love  
'Cause always you indulge  
And parents try to get you out of these jams  
You got that envy child they won't understand  
The social life you lead  
Leaves nothin' to desire  
Don't wanna see you bleed  
But you came on like a liar  
Try hard, try hard to reason  
Reason's love  
Try hard, try hard to reason  
Reason's love  
'Cause always you indulge  
And parents try to get you out of these jams  
You got that envy child they won't understand  
Wrecked myself to love you  
All you want is more  
One thing you're after  
You just try and score  
Try hard, try hard to reason  
Reason's love  
Try hard, try hard to reason  
Reason's love  
'Cause always you indulge  
And parents try to get you out of these jams  
You got that envy child they won't understand
