

## Rock Bottom

UFO

Seventeen a nature's queen, you'll know what I mean  
Twenty one, a long one you can see the numbers run  
Now you look so peaceful, lyin' there asleep  
With the wings of God above you, before the spirits meet  
Rock bottom, rock bottom, rock bottom  
Rock bottom, rock bottom, rock bottom  
And shadow works is closin' in above lamps in your street  
Lucifer goes walkin' down free to meet  
Minutes pass so slowly by the hands on your clock  
Heavens door don't open when you knock  
Rock bottom, rock bottom, rock bottom  
Rock bottom, rock bottom, rock bottom  
With all darkness closin' in, will the light reveal your soul?  
'Cause one sweet kiss on your clay cold lips  
I'll know sleep you'll never know  
Where do we go, where do we go, where do we go from here?  
Where do we go?
