Seventeen a nature's queen, you'll know what I mean Twenty one, a long one you can see the numbers run Now you look so peaceful, lyin' there asleep With the wings of God above you, before the spirits meet Rock bottom, rock bottom, rock bottom Rock bottom, rock bottom, rock bottom And shadow works is closin' in above lamps in your street Lucifer goes walkin' down free to meet Minutes pass so slowly by the hands on your clock Heavens door don't open when you knock Rock bottom, rock bottom, rock bottom Rock bottom, rock bottom, rock bottom With all darkness closin' in, will the light reveal your soul? 'Cause one sweet kiss on your clay cold lips I'll know sleep you'll never know Where do we go, where do we go, where do we go from here? Where do we go?
