

## The Last Stone Rider

UFO

Call my brothers i will be there  
Call my mother t offer off the pray  
I hear the rack of shame  
We ill be .. before the ..  
Down in the .. the king I want for nothing nothing to  
gave  
She has the power of a mystical art  
She has a crossed ... I am a last stone rider  
And I will do this for the .. speaking  
And my sleep this boos come down  
She is the last man standing  
Solid as a rock just as she is breathing ...  
I have a power and ... I through my fingers in your curly  
hear  
.. come down I got my feet on the ground  
Time to go on sum me up now hey hey  
Farm me up
