

## This Time

UFO

Maybe tomorrow  
Maybe next week  
Oh baby the future looks bleak  
I can't believe what's been goin' on  
You're never there  
You're always gone  
A little faith goin' a long way  
Always thought that you would stay  
[???] Diggin' for gold  
Movin' on, I'm out in the cold

(1) No no baby, I believed in you  
No no baby, it's not true  
No no baby, I believed in you  
Don't put my heart on the line

(2) This time, let it be me  
I'll be the one that you can see  
This time I'll be your man  
I'm right here baby, here in your hand

Situation is the classic kind  
Caught in this trap, oh love is blind  
Friends keep saying that you're bad news  
I keep saying how could you choose  
[???] one more time  
Just to believe you are mine  
At the point of no return  
A fool in love, when will I learn

(1) Repeat

(2) Repeat twice

There's no sign that this love of ours  
Will go on and on  
I took a long look at love  
From the point of view there's an Angel above..

[INSTRUMENTAL]

(2) Repeat

There's no sign that this love of ours will go on and on

(2) Repeat and fade
