I just bought me a Coupe De ville
Took out the air bag put in a wood wheel
Now all the ATL niggas wanna jack 'cause I'm from Texas
Never seen candy with the fifth on the back

I'm comin' down the west end, niggas tryin' to jack
And bust a right Coney Island pop the trunk and started cappin'
Niggas was happenin' put they Burboun to the floor nigga
Hard to bust back but I was penetrating they doe

Nigga in PA, it's like the wild, wild west Throwin' all packed and we all wear vests When the shit pop out, who gonna stunt Nigga ain't shootin' me first I fin to pop the trunk

These niggas keep talkin' like they want the funk But niggas love to talk shit I fin to pop the trunk Runnin' off at they dick suck as gettin' it crunk Nigga I'm high off this weed I fin to pop the trunk

Steady frontin' like a man but you show me a punk
Man I knew he was a bitch I had to pop the trunk
All we really came to do is just smoke some scum
These niggas steady runnin' me hot I'm fin to pop the trunk

You niggas didn't know that I was out of control Slow yo roll for I put this chopper straight to yo fo' Head you better off dead than to fuck around with psycho niggas Don't be trying to plead yo case 'cause I don't even like no niggas

In my face, trying to question me about some drama Only answer to two people God and my mama Far as niggas tryin' to put me in the cross Let 'em holler at my bitch, Nina Ross hoe house boss

I bet you mind somethin' in, run and tell a friend on the Gin, I think he said, "Trippin' once again" It ain't no stoppin' me, get at me then I'm dumpin' on ya Ridin' past yo funeral hangin' out the window slumpin' on ya

You didn't know, they didn't tell you boy you better listen While I shoot this shit before you put yourself in that position Niggas that know me know I specialize in havin' bump You can have the tail way from the shovel so we can pop the trunk

These niggas keep talkin' like they want the funk Man 'cause his bitch chose me I fin to pop the trunk Runnin' off at they dick suck as gettin' it crunk 'Cause I'm fuckin' yo gal I got to pop the trunk

Steady frontin' like a man but you show me a punk Nigga tried to jack my car I had to pop the trunk All we really came to do is just smoke some scum Smokin' at the Tittie bar I had to pop the trunk

Under Cali's blue skies, smokin' on chronicles and chocolate ties Even when we tell the truth, the hoes we lies Man ain't no disguise, doin' ninety week flies Ain't got no time for middle men and small fries

Only money conversation and big thighs
Let me talk to your boss man, the nigga wit the pies
And back yo ass up and don't act so surprised
When pistols start to cock, hands start to rise

Nobody move too fast I advise Or you can catch a hot one right between ya eyes Recognize I done set me sights on the prize And put lights out with boom fifty bye, bye

I'm labeling my life off of rap and weed highs And ask my agent bout my fuckin' shoe size But fuckin' wit' us ain't wise
We get crunk, we came to pop the trunk
What, the trunk

These niggas keep talkin' like they want the funk I knew he was the police I had to pop the trunk Runnin' off at they dick suck as gettin' it crunk Man I'm sippin' on poppin' the trunk

Steady frontin' like a man but you show me a punk I had to pop the trunk
All we really came to do is just smoke some scum
To make it, make it crunk I had to pop the trunk

I know that they some bitches had to pop the trunk California to Texas poppin' the trunk UGK and Celly Cell we 'bout to pop the trunk Sippin' on Hennessey I fin to pop the trunk, bitch Smoke somethin', D time, PA, uh, '97 Smoke somethin', representin' money, like too short bitch
