Pass It On

Ugly Duckling

Pass it on!

Many years ago, I was ten years old
We used to play a game that you all should know
It's really very simple, in the form of a song
Just say a couple lines then pass it on

Here we go
Eenie-meanie-weenie, pa-pa-ooh-mou-mou
I can't wait for later, got to get down now
A pow wow with my Injuns, I got thin shins
And feet so big they look like swim fins

I'm going down in history
With a bad attitude like Mr. T
So I "Pity the fool" that would get with me
And when my money's gone, I'll pawn my jewelry

On I'm fire like a bonfire, making you melt
Yell help and I'll grab my utility belt
I'm delicious and nutritious like a toasted oat
And if you forget, I left you a Post-it note

+ (Andy Cooper)
Yeah, I'll put the flame on the batter till it's chicken fried
Well, I'm never watered down like a Slip 'n Slide
You didn't know, (Go ask you mom)
{What did you say?} pass it on

(Pass it on)
Pass it on, pass it on
Pass it on, pass it on, pass it on
(What did you say?) pass it on

I got my girl a glass of milk and an Oreo
Told her that I really wanna be her Romeo
Wrote her a letter from Albuquerque, New Mexico
With an X and O, and an X and O

If you're a fat girl who does step aerobics
Or a rave chick who holds up the glowsticks
I wanna move from my bachelor pad
And settle down like a sitcom actor dad

Man, I made plans to build the next Graceland
Get fat and expand my waistband
Save the weight loss, great for Kate Moss
More potatoes and please pass the steak sauce

I move fast so I'm hard to hit
Like a seven ten split as I laugh and sit
On a limb with a grin like Cheshire Cat
You caught the slingshot, I laugh and fire back

+ (Dizzy Dustin)
I gotta get away and leave all my pet peeves
(Finish up and we're out like "Check please!")

Before we go, (If you wanna sing along)
Everybody c'mon and say pass it on

(Pass it on!)
Pass it on, pass it on
Pass it on, pass it on, pass it on
(What did you say?) Pass it on

Young Einstein scratches and cuts
Pass it on, pass it on
(Listen close) Pass it on, pass it on
Pass it on, pass it on
