

Another Beer

Ugly Kid Joe

Pain
Don't you come pourin' down on me
Cuz I do not deserve to be
Drowned in misery
Sane
It's what I'll never be
And it's no use helpin' me
Cuz I know just what I need

Another beer
Is all I need
And who are you to disagree
Yeah just one more
And I'll be free
Another beer
Is all I need

Please
Don't you take my glass away
Cuz I would really love to stay
Until the light of day
Here
It's what I've been longing for
So before you close the door
Could you pour me just one more

Another beer
Is all I need
And who are you to disagree
Yeah just one more
You'll get rid of me
Another beer
Is all I need

Another beer
Is all I need
And who are you to disagree
Yeah just one more
And you'll be rid of me
Another beer
Is all I need

Another beer
Is all we need
And no one here will disagree
Yeah just one more
And we'll all be free
Another beer
Is all we need
