

Don't Go

Ugly Kid Joe

This time, this time I love you
Last time, last time I hate you
Next time, next time I need you
Baby please dont go

Remember when I met you
School dress on
I never could forget you
And baby now youre gone

Im goin around, around today
Just tryin to find the truth
It doesnt really matter anyway
When Im livin without you

This time, this time I love you
Last time, last time I hate you
Next time, next time I need you
Baby please dont go

I said come on little darlin
Baby dont you see
Id never do you harmin, no
Its just you and me

Im in the corner right now
Waiting for your love
You better make your choice now
Before a push comes to a shove
Yeah things seem kinda different
It aint the way it was
Remember what your mama said
The bond that lies is us

This time, this time I love you
Last time, last time I hate you
Next time, next time I need you
Baby please dont go

Im by the phone, Im all alone
Just waitin and a prayin that maybe youll call
I gotta know right now, should I stay around, should I stay a while
Should I stand here crying or baby should I fly - yeah!

Oh come on darlin, dont you se and dont you know,
I gotta have your lovin, now now Ill never let you go
Tryin to find that girl of mine
Shes so far away
And I am cryin - yeah
