

Father

Ugly Kid Joe

Beat me down, one more time
Words of love, hard to find
Gotta find my mother, she won't lie
Where the hell's my father
Farther, farther
You like to lie
Swimming in the water
One last time
Imagination cross my mind
I beat the bush, I beat the bush

Shove me down
Where the hell's my father
Farther, farther
You like to lie
Father, old man, can you find me
Father, old man, do you care
Father, old man, can you find me
Do you care
Father
You like to lie
