

Goddamn Devil

Ugly Kid Joe

Rape, d.u.i., assault and battery
These are things that will bring you to me
Murder and theft and all of the above
You can bet your life I know what you're thinking of
I've taken you and I'll take your friends
Don't worry, well all meet in the end
Cause life's a bitch and then you die
Trust me baby cause I don't lie

Im the goddamn devil, this job pleases me
Im the goddamn devil and I do it for free

I know the story about your life
If you killed your brother or you beat your wife
And I am here to punish you
You can't fool me cause I aint no fool
The time has come to say goodbye
The end is here for those who cheat, steal and lie
There will be torture and there will be pain
Cause this is hell, baby, die in flames.

Im the goddamn devil, this job pleases me
Im the goddamn devil, satan if you please
Im the goddamn devil, this job pleases me
Im the goddamn devil, and I do it for free

I don't care about you, don't care about your life
Don't care about your children or about your wife
Im here to do my job so if you broke the law
You're checking in with me
But you can never leave....

There's one way out if you dare
Well make a deal, you'll grow your hell
As satan's child you'll start a band
And spread the word across the land

Im the goddamn devil, this job pleases me
Im the goddamn devil, satan if you please
Im the goddamn devil, better believe in me (only me)
Im the goddamn devil!
