

# Love Ain't True

Ugly Kid Joe

You know I think that you're a bitch  
Who only likes me cuz I'm rich  
She work for me to buy you clothes  
And lots of powder for your nose  
Yeah you're the worst I ever had  
Oohh and I think it's pretty sad  
Oohh that I'm still in love with you  
Yeah even though my love ain't true

My love ain't true  
My love ain't true  
My love ain't true

You know I think that you're insane  
The way you play this silly game  
Do what you want, that's what you do  
I count the days until we're through  
You know I wish I had a dime  
For every time you start to whine  
Oh and I wish I had a buck  
For every time that you suck

Your love ain't true  
Your love ain't true  
Your love ain't true

It's been too long  
You're an evil witch  
Whatever you get  
You deserve, you bitch  
And yes it's a drag all the time  
Well you'll get yours, but you won't get mine

You know I think that you're a bitch  
Who only likes me cuz I'm rich  
You think you got me by the balls  
But I ain't pickin' up your calls  
Yeah I'm the worst you ever had  
And don't you think it's pretty sad  
Oohh that you're still in love with me  
And now you know my love ain't free

My love ain't true  
Your love ain't true  
Our love ain't true  
Love ain't true
