

# Slower Than Nowhere

Ugly Kid Joe

Slower than nowhere  
Playing Hide and Seek  
Walking from room to room  
Will you follow me?  
Will you challenge me?

My destiny will follow me  
And set me free  
And set me free  
Slower than nowhere  
Slower than nowhere

Cold in the mid-west  
Don't take away my shine  
Asking me something  
Giving me nothing  
That's okay, take your time

My destiny will follow me  
And set me free  
And set me free  
Slower than nowhere  
Slower than nowhere

Prelude to madness  
Certain circles hold  
Fall to the wayside, I'll take my own  
Come on now, Come on now, Yeah

Down to my luck and  
Speaking of nothing  
Feeling the ground move under me  
Do you feel the same?  
Do you feel the same?

Warm Fuzzy Feeling Bit  
Slower than nowhere  
Slower than nowhere  
I feel the ground move under me  
Slower than nowhere  
Slower than nowhere

Prelude to madness  
Certain circles hold  
Fall to the wayside, I'll take my own  
Come on now (8x)  
yeah yeah.....
