

## Sweet Leaf

Ugly Kid Joe

When i first met you, I didn't realize I can't forget you, for  
your suprise You introduced me, to my mind And left me wanting,  
you and your kind Oh yeah! Straight people don't know, what yo  
ur about They put you down and shut you out You gave to me a ne  
w belief And soon the world will love you sweet leaf Oh yeah! F  
unky fresh tunes And you're walking down the street And you're  
trying to find the girl That you really want to meet You're fly  
ing past the reef And you're drinking shrunking heads You wake  
up in the morning And you wish that you were dead As you stagge  
r home In the blackest form of night The rollers out in force b  
aby They're looking for a fight You try to play the game You tr  
y to pass the test But the only thing in sight baby Is the sigh  
t of your arrest Jail cell - living hell Cains off me i'm free  
Doing time - one more time Mine, all mine, all mine Now the cou  
ntry club is cold And the country club is mean The attendants a  
t the country club

Ain't something to be seen If you're messing with my girl You'r  
e messing with your life Cause i'm gonna cut you With a big, bi  
g knife You bet your fuckin' life Now as you stagger home In th  
e blackest form of night The rollers out in force baby They're  
looking for a fight You try to play the game You try to pass th  
e test But the only thing in sight baby Is the sight of your ar  
rest Jail cell - living hell Cains off me i'm free Doing time
