

## C.I.D

UK Subs

See that man dressed in black  
Pass him by don't look back  
Keep in a line and walk straight ahead  
One false move could be dead

'Cos he's an underground undercover agent for the CID  
CID, CID  
Got a loaded 44  
Walking armoury store

Take a tip and hear what I say  
Don't take no trip down Soho way  
If you do you better keep in a line  
Make one false move could be doing time

'Cos he's an underground undercover agent for the CID  
CID, CID  
Got a loaded 44  
Walking armoury store
