

# Born To Get Older

Ulrik Munther

Yes we all grow up

Black with flashes of blue  
my bike was the coolest one in school  
but somehow my helmet disappeared each afternoon  
Oh, those possible times  
when nothing could stop our childish minds  
we played in the woods, the streets  
with swords and shields we fight

And those memories  
they remind in me

The time goes on no matter what  
we're born to get older  
Yeah life goes on no matter what  
we're born to get older  
Yeah we all grow u-u-up  
grow u-u-u-up  
Yeah we all grow u-u-up  
grow u-u-u-up  
yeah we all grow up

Piles of dishes and clothes  
living on noodles, beer and toast  
I should be working but instead I'm writing songs  
Oh, guys staying up late  
talking 'bout girls and videogames  
and all of our problems, they resolved within a day o-  
oh

When those days are gone  
there'll be more to come

Ey, 'cause time goes on no matter what  
we're born to get older  
And life goes on no matter what  
we're born to get older  
'Cause we all grow u-u-up  
grow u-u-u-up  
Yeah we all grow u-u-up  
grow u-u-u-up

Yeah I know  
there will come a time  
when I'm old, grey and always tired  
I know there will come a ti-i-i-i-ime  
when I know more than I do now  
when I'm old, grey and always tired  
I know it will be alright

'Cause I know that we all grow up

Ey, o-o-o-o-o-oh yeah  
And life goes on and on and on  
we're born to get older yeah-ay  
'cause we all grow u-u-up, u-u-u-up

yeah we all grow u-u-up, u-u-u-up  
yeah we all grow up
