

# Fool

Ulrik Munther

I put my sunglasses on  
Just as I walk out the door  
To hide from judging eyes  
And human contact over all  
A rainy Sunday evening  
I confessed my crime to you  
At first you didn't believe me  
Then you told me we were through

[Chorus:]

I'm a fool, I'm a fool  
I'm a fool for you  
Said I'm a different kind of guy  
When you're not around  
I'm a fool for you  
I've been a different kind of guy  
Since you turned me down  
I'm a fool for you, a fool for you

So when I see you walking  
Through the cold September square  
I wave and we start talking  
Then I see that you're not here  
Oh darling you're still with me  
Never made it over you  
My heart just still believe it  
When you told me we were through

[Chorus]

It's been a long time  
Since I held you in my arms  
We used to be alright  
Now you won't return my calls

I'm a fool, I'm a fool  
I'm a fool for you  
I'm a fool for you

[Chorus]
