

My Own Little Heaven

Ulrik Munther

Don't know how long I've been in here
I don't know for how long
Don't know how long I've been in here
Time just disappears
I don't know where I am
Or why I'm here
My eyes can't see clear
But I'm not alone anymore
You are also here

[Chorus:]
Cause' in my own little heaven
It's you and me
Everywhere I go
It's you I see
It's you and me
Yeah in my own little heaven
It's you and me
Everywhere I go
It's you I see
It's you and me

Don't know how long I've been in love with you
Don't know for how long
I don't know if you're real
And this is true
Don't know what to do
But I know it's a dream
Don't wanna wake up
You're all that I need
Just as I wake up from this dream
I wanna go back to sleep

[Chorus]

You're in my mind
In my mind
All the time
You're in my mind
All the time

[Chorus]

You're in my mind
You're in my mind
All the time
You're in my mind
All the time
