

# Soldiers

Ulrik Munther

If you wanna know  
You wounded me  
You wounded me down to the bone  
But a little bit  
Just a part of me  
A part of me knows  
We don't wanna fight on  
And I  
Know your pain  
is the same  
And I forgive you  
We're soldiers  
We're soldiers  
Armies of one on a battle field  
We're soldiers  
And soldiers bleed  
Woh oh oh  
Before it's  
All over  
You'll never be unforgivable  
You and I we're soldiers  
No victories  
Or apologies  
That we're hurting too much to give  
And I  
Realize  
Our bitter lies  
Are killing everything that we wanna let live  
And I  
Know your pain  
is the same  
And I forgive you  
We're soldiers  
We're soldiers  
Armies of one on a battle field  
We're soldiers  
And soldiers bleed  
Woh oh oh  
Before it's  
All over  
You'll never be unforgivable  
You and I we're soldiers  
And after all that we've been through  
We gotta find a way to move on  
You and I we're soldiers...  
We're soldiers  
We're soldiers  
Armies of one on a battle field  
We're soldiers  
And soldiers bleed  
Woh oh oh  
Before it's  
All over  
You'll never be unforgivable  
You and I we're soldiers  
For what it's worth  
You wounded me

But I forgive you
