That you're not supposed to hear
About misbehaving and intoxicating love affairs

Make-up, fashion, all the boys we got
Girl talk
Once we get started
We just can't stop
And all the girls say
Du du du du du du
Du du du du du du
Du du du du du du
Girl talk
Du du du du du du
Du du du du du du
Du du du du du du
Girl talk

At the salon
Gettin' my hair done
With a fashion magazine
Catching up on gossip
And their addiction to shopping
I said I'm so broke
I'm so broke
Don't ask about my day

Just to pay the rent
Spending all his money
On high-heels for his boyfriend

Make-up, fashion, all the boys we got
Girl talk
Once we get started
We just can't stop
And all the girls say

Du du du du du du
Du du du du du du

Du du du du du du
Du du du du du du
Du du du du du du

'Cause you're a freak, super-freaky hot
Can't get enough of your girl talk
Girl talk
And all the girls say yeah
Girls say yeah
Girls say yeah
Girls say yeah yeah
