

Texxt Bomb

Ultraviolet Sound

We got a chain reaction
A neon after glow
A dirty love attraction
And it's about to blow

There ain't no stoppin' me
I got my fingers on it
I'll bring you to your knees
A time to get atomic

Let's get into love technology

T E X X X
S E X X X
T E X X X
S E X X X

Let's take off like a rocket
Deep into outer space
I'll put you in my pocket
Turn you on vibrate

So come on take a picture baby
Instant message me
I wanna see your...uhhh
Up on my LCD

T E X X X
S E X X X
T E X X X
S E X X X

Let's get into love technology
In the middle of the floor disco chemistry

T E X X X
S E X X X
T E X X X
S E X X X

Let's take off like a rocket
Deep into outer space
I'll put you in my pocket
Turn you on vibrate

So come on take a picture baby
