

## Dream On

Ultravox

Hold my breath and pray for something better  
Close my eyes and wish for something better  
Much better  
Dream on  
Dream on

I saw a day when there was no fight to fight  
Dream on  
Dream on  
Nothing more, no hurting for no reason  
What reason?  
Dream on  
Dream on

I heard a world laugh together for a while  
Dream on  
Dream on  
I saw the strength and the love behind the smiles  
Dream on  
Dream on  
Something good for everyone to share  
To care  
Dream on  
Dream on...
