

No Regrets

Ultravox

I know you're leaving
But it's too long overdue
For far too long
I've had nothing new
To show to you
Goodbye dry eyes
I've watched your plane
Fade off west of the moon
And it felt so strange
To walk away alone

There's no regrets
No tears goodbye
I don't want you back
We'd only cry again
Say goodbye again

The hours that were yours
Echo like empty rooms

The thoughts I used to share
I now keep alone
I woke last night
And spoke to you
Not thinking you were gone
And it felt so strange
To lie awake alone
