

# There Goes a Beautiful World

Ultravox

Spinning round, demanding a gentle way  
Rushed up crowd, had to go off the way

Oh, the circumstances detailed  
The force of the run  
Oh, the messages unfold  
There goes a beautiful world

Higher ground, safe from the open way  
Desert hound, try to get hold of me

Oh, the circumstances detailed  
The force of the run  
Oh, the messages unfold  
There goes a beautiful world

There goes a beautiful world  
There goes a beautiful world

Oh, the circumstances detailed  
The force of the run  
Oh, the messages unfold  
There goes a beautiful world

There goes a beautiful world  
There goes a beautiful world
