Ultravox

Spinning round, demanding a gentle way Rushed up crowd, had to go off the way

Oh, the circumstances detailed The force of the run Oh, the messages unfold There goes a beautiful world

Higher ground, safe from the open way Desert hound, try to get hold of me

Oh, the circumstances detailed The force of the run Oh, the messages unfold There goes a beautiful world

There goes a beautiful world There goes a beautiful world

Oh, the circumstances detailed The force of the run Oh, the messages unfold There goes a beautiful world
