

## Everybody's Been Burned

Ulver

Everybody has been burned before  
Everybody knows the pain  
Anyone in this place can tell you to your face  
Why you shouldn't try to love someone

Everybody knows it never works  
Everybody knows and me  
I know that door that shuts just before  
You get to the dream you see...

I know it all too well how to turn, how to run  
how to hide behind a bitter wall of blue  
But you die inside if you chose to hide  
So I guess instead I'll love you...
