

Today

Ulver

Today I feel like pleasing you more than before
Today I know what I want to do but I don't know what for
To be living for you is all I want to do
To be loving you it'll all be there when my dreams come true
Today you'll make me say that I somehow have changed
Today you'll look into my eyes, I'm just not the same
To be anymore than all I am would be a lie
I'm so full of love I could burst apart and start to cry
Today everything you want, I swear it all will come true
Today I realize how much I'm in love with you
With you standing here I could tell the world what it means to love
To go on from here I can't use words, they don't say enough
Please, please listen to me
It's taken so long to come true
And it's all for you
all for you....
