

Sail Away

Umbra Et Imago

Babe let me know, what is love
Babe let me know, what is passion
Babe let me know, what is sin

SAIL AWAY (into haven, into this dark)

Babe let me know, where I am
Babe let me know, what is my desire
Babe let me know, where you are

SAIL AWAY

Your lips are ready, your hair is shining on
Your body is in ecstasy, kiss me babe

SAIL AWAY
