

# Craving You

Una Healy

I've tried twenty four hours, not thinking of you at all  
I turned my phone on silent, staring waiting for you to call  
But who am I really kidding thinking I could ever give you up?  
'Cause you're like a rush in my blood and I'm helpless to it all

By now I should know better (But I don't)  
Something that I should quit (But I don't)  
I know you're bad, should forget you  
But I keep coming back for it

My head keeps saying no, no, no  
My heart, it just won't let you go  
No matter what I say or what I do  
There's just no getting over you  
And every time I try to leave  
You pull me back and make me weak  
But if they say that love is like a drug  
I just can't get enough, it's true  
Oh, I keep on craving you

'Cause I'm not lost in a bottle, don't need a cigarette  
Not putting everything on the line or, or a game of roulette  
It's just you, yes it's you, that I lose control, surrender all I have  
'Cause you're like a rush through my blood  
And I'm heading for heart attack

By now I should know better (But I don't)  
Something that I should quit (But I don't)  
I know you're bad, should forget you  
But I keep coming back for it

My head keeps saying no, no, no  
My heart, it just won't let you go  
No matter what I say or what I do  
There's just no getting over you  
And every time I try to leave  
You pull me back and make me weak  
But if they say that love is like a drug  
I just can't get enough, it's true  
Oh, I keep on craving you

There's no rehab, no refuge at all  
There's nowhere for me to run no more  
'Cause I keep coming back time and time again  
And I don't even know what for

My head keeps saying no, no, no  
My heart, it just won't let you go  
No matter what I say or what I do  
There's just no getting over you  
And every time I try to leave  
You pull me back and make me weak  
But if they say that love is like a drug  
I just can't get enough, it's true  
Oh, I keep on craving you

I keep on craving you

I keep on craving you
