

Serpent's Curse

Unanimated

Blood is raining,
Down on my face.
Hungry flames,
Are licking my skin.
Angry shadows,
Awake my soul.
Morbid serpents,
Dawn from within.

Pure fire,
With true and sinful desires.
Want me to ride,
The flames of eternity.
I follow the ways of the serpent curse.
To the end of all life.
Where I will be born.
Born!

Serpent of the fire!
Serpent of desire!
Enshrined by dark.
I will always burn.
Forever cursed
In the flames of eternity.

Treacherous as the dark!
Shadows of blood!
The light dies,
And darkens immortal!
Where evil dwells,
And whispers damnation!
Oh cursed one let me see hell fire!

Serpent of the fire!
Serpent of desire!
I follow the flames of the serpent curse.
To the end of all life.
There I shall be reborn!
What evil dwells,
And call upon the maker.
... of hell.
Forever I shall burn!

My soul return!

Forever cursed,
I will always burn.
Serpents of Fire,
Tongues of eternal flames
Forever cursed,
In the fires of eternity.
Serpents of the fire,
I will always burn!
