

Memphis Soul Song

Uncle Kracker

Lookin' back on everything
And all the things that stay
I can count on memories
Cause they dont go away
Good times were hard to hold
Until she came along
She moves me like a Memphis soul song

I'm not always there I know
but she don't mind at all
As pretty as a picture that hangs on my own wall
She's like Mississippi
When the sun comes up at dawn
She moves me like a Memphis soul song

With an angel on my left side and a devil on my right
She's the one who saves me from them dark unholy nights
Of all the ones who've left me it's a wonder she's not gone
She moves me like a Memphis soul song
She moves me like a Memphis soul song

She dont care what the game is
She's always down to play
My world without her seems a million miles away
She dont have to worry
I know where I belong
She moves me like a Memphis soul song

I've been delt some aces
And I've played them all the same
But she's the only one that keeps me in the game
No fame or fortune could ever keep me gone
She moves me like a Memphis sould song

With an angel on my left side and a devil on my right
She's the one who saves me from them dark unholy nights
Of all the ones who've left me it's a wonder she's not gone
She moves me like a Memphis soul song

There's a magic down in Memphis
The never seems to fade
Even now them voices carry
Like a lonely serenade
It's the memories that still and always will be on my mind
They move me everytime

She see's the good in everything there is to see
Sometimes I wonder what she ever see's in me
I'm not always right you know
But she's never led me wrong
She moves me like a Memphis soul song

In all my travels I've never found a way
To find the words that say the things I'd like to say
I've sang some melodies but she's my favorite one
She moves me like a Memphis soul song

With an angel on my left side and a devil on my right
She's the one who saves me from them dark unholy nights
Of all the ones who've left me it's a wonder she's not gone
She moves me like a Memphis soul song
She moves me like a Memphis soul song
