

# Memphis Soul Song

Uncle Kracker

Lookin' back on everything  
And all the things that stay  
I can count on memories  
Cause they dont go away  
Good times were hard to hold  
Until she came along  
She moves me like a Memphis soul song

I'm not always there I know  
but she don't mind at all  
As pretty as a picture that hangs on my own wall  
She's like Mississippi  
When the sun comes up at dawn  
She moves me like a Memphis soul song

With an angel on my left side and a devil on my right  
She's the one who saves me from them dark unholy nights  
Of all the ones who've left me it's a wonder she's not gone  
She moves me like a Memphis soul song  
She moves me like a Memphis soul song

She dont care what the game is  
She's always down to play  
My world without her seems a million miles away  
She dont have to worry  
I know where I belong  
She moves me like a Memphis soul song

I've been delt some aces  
And I've played them all the same  
But she's the only one that keeps me in the game  
No fame or fortune could ever keep me gone  
She moves me like a Memphis sould song

With an angel on my left side and a devil on my right  
She's the one who saves me from them dark unholy nights  
Of all the ones who've left me it's a wonder she's not gone  
She moves me like a Memphis soul song

There's a magic down in Memphis  
The never seems to fade  
Even now them voices carry  
Like a lonely serenade  
It's the memories that still and always will be on my mind  
They move me everytime

She see's the good in everything there is to see  
Sometimes I wonder what she ever see's in me  
I'm not always right you know  
But she's never led me wrong  
She moves me like a Memphis soul song

In all my travels I've never found a way  
To find the words that say the things I'd like to say  
I've sang some melodies but she's my favorite one  
She moves me like a Memphis soul song

With an angel on my left side and a devil on my right  
She's the one who saves me from them dark unholy nights  
Of all the ones who've left me it's a wonder she's not gone  
She moves me like a Memphis soul song  
She moves me like a Memphis soul song
